

Nutrition Support from Hospital to Home

You are invited to attend an accredited CE presentation!

This accredited continuing education course will be offered at no charge:

The purpose of this program is to educate nurses, case managers, social workers and registered dietitians about the clinical, psychosocial and financial implications of enteral and parenteral nutrition in the home setting.

The course is followed by an evaluation and post-test, and participants passing the post-test (>80%) will earn one (1) continuing education credit hour.

Upon completion of this course, participants will be able to:

1. Identify admission criteria for home enteral and parenteral therapy
2. Review steps to ensure a safe and appropriate transition to the home environment
3. Discuss management and monitoring of home nutrition support patients
4. Describe economic, clinical and psychosocial challenges associated with home nutrition support

Presenter: This course was designed by Hi-R-Ed Online University. Hi-R-Ed has been approved as a provider of continuing education credit for social workers, nurses and dietitians and has received course approval for case managers.

If you have special needs not addressed in this flyer, please contact Option Care Health to make special arrangements.
